

**FREHSER DEVELOPER**

# NGUYEN CAO DANH

## EDUCATION

**HO CHI MINH CITY OPEN UNIVERSITY**  
09/2020 – 09/2024 (Graduated!)

**Major: Computer Science**  
GPA: 2.57/4.0  
Or GPA: 6.85/10

**English: B1 Degree**

## SUMMARY

I am a student who has completed my studies in Computer Science and am waiting for my diploma in January 2025. I had 6 months internship as a full-stack developer using technology: java spring boot in backend and React.js in frontend. I am looking for a new environment to satisfy my desire to learn and develop my passion for programming.

## PROFILE

- Dob: 29/07/2002
- Address: 60/32/14 Ngo Thi Nham, Di An, Binh Duong
- Phone Number/ Zalo: +84 334507930
- Email: [danhcao.ng@gmail.com](mailto:danhcao.ng@gmail.com)
- Facebook: danh.cao.1654700

## ACTIVITIES

- Head of the STEM club at Tam Phu High School
- Participated twice in the April Olympics organized by Ho Chi Minh City

## TECHNICAL SKILLS

- Programming Languages: Java (Stronger), C#, C++, TypeScript, JavaScript
- Basic programming:
  - Object-oriented programming
  - Data structures and algorithms
- Backend Development:
  - Spring MVC
  - Spring Boot
  - Spring Data JPA, JDBC, Hibernate
  - Spring Security
